

Frowi Care

Ready-to-use stainless steel cleaner with protective effect

Packaging	Art.-No.	Per Box	Per Palette
500 ml spray bottle (ready-to-use)	9912	6	456

Properties:

Frowi Care cleans and protects all types of stainless steel surfaces in one. Removes typical stains (finger marks, greasy everyday stains etc.) quickly and safely. Frowi Care leaves a protective film on the surface that makes it look more sophisticated and also protects it. With anti-finger mark effect. Evens out hairline scratches. Extremely economical. Not harmful: under the CLP Regulations, this cleaner requires no label.

Field of Application:

Suitable for use on all stainless steel surfaces. For the cleaning and protection of lift cabins, cooker hoods, cupboards, shelves, handrails, escalator panels, wall panels, taps and other objects made of stainless steel. Also suitable for use in the kitchen area. Frowi Care can also be used on other indoor metal surfaces, such as (anodised) aluminium or brass.

Application:

Spray Frowi Care onto a lint free, clean cloth, then work into the surface. Use sparingly.

Dosage:

Use undiluted.

Use product extremely sparingly. Frowi Care can be used and buffed regularly as it does form layers.

Ingredients:

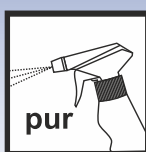

1-5% non-ionic tensides, limonene.
